DANIEL KLEIN[®]

fashion for everyone

Daniel Klein Brand

Founded in 1998 and stepped into the watch industry for the first time.

With horizon "Fashion For Everyone"

From the first day of its establishment until today, Daniel Klein has become a very popular brand name and got attention from many international purchasers around the world.

Our difference is not just our reasonable prices with our high quality products. Also, following the latest trends and fashion to create our new collection for every month.

Daniel Klein Group

Is established after the high interest many international purchasers showed interest in Daniel Klein watches.

Our main office is located at the heart of watch industry, Hong Kong. As Daniel Klein Group, we are providing a professional service in every stage till our products reach out to bussiness partners. Our biggest advantage is to be in total control of the quality, during every phase of the production.

Our target; is to make Daniel Klein brand name, the most famous and well recognized brand in its own range in watch industry, with the support of our employees.

Reasonable price policy, high quality fashion products, following the countries latest trends, we believe that we will add big value to world retail industry.

As Daniel Klein Group, we are aiming to work with world wide brand names into the future to put a new face on the business.
